Do Not Lend Your CITY DIRECTORY

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definte cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS — BE THEY ONE — OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY — THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS — each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS — each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers — the LESSER the cost to each.

It is also obvious that the LESSER the number of subscribers — the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

IT COSTS YOU MONEY Every Time It Is Loaned

Names Appearing In Black Letters

IN THIS DIRECTORY are the names of those people who ACCOMPLISH THINGS and are entitled to favorable consideration, if for no other reason than their public-spirited support of measures which make for progress. They represent that ENERGY AND PUSH so essential to the commercial prosperity of the City, and in dealing with them no mistake will be made. The publishers are honored in thus making them better known to the public.

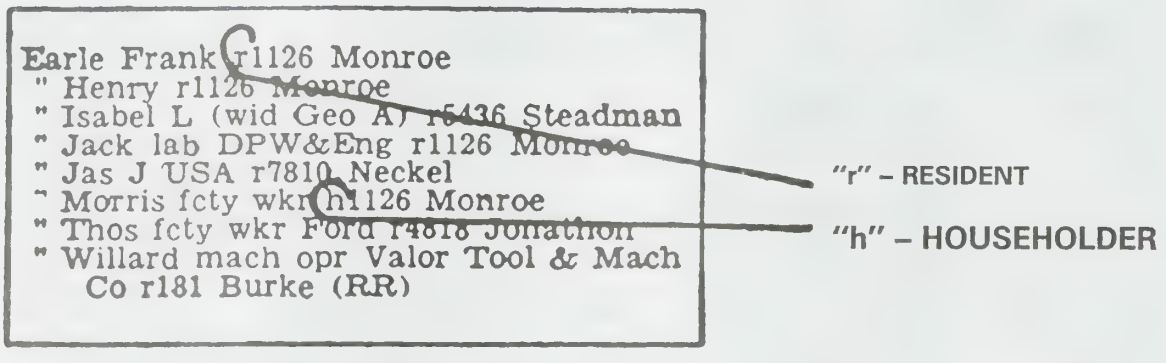
Know Your Directory SYMBOLS



"r" AND "h"

Two important symbols are used in your City Directory. The symbol "r," before an address stands for "Resident." That person resides at that address but is not the head of the family or family head. The symbol "h" stands for "Householder" – the person in whose name the home is occupied.

POSTAL CODE DIRECTORY

EXPLANATION OF INFORMATION IN THIS SECTION

1.
The streets are listed alphabetically and broken down into odd and even numbers, as in this example. In the second column are listed the street numbers with the corresponding postal CODE on the same line in the last column.

2.
When an asterisk precedes a number, or group of numbers, in the second column, this number specifies a suite or room number at the address listed on the previous line. This suite or room has a separate postal CODE, listed on the same line in the last column.

3.
Occasionally, street numbers (in this example "182", "192" and "214") are part of a group of numbers ("182-214") which has a particular CODE. These numbers (or number, in some cases) are then repeated on the following lines, in bold face, with different postal CODES. This indicates that at these addresses are located a large business firm or organization, or an apartment or office building, with their own CODES.

4.
The sign (★) identifies a postal CODE assigned exclusively to a customer receiving a large mail volume regularly and the CODE is not to be used by others who may subsequently occupy the same premises.
